Yearbook Dedicatee Mr. Steve Sartain

This year's yearbook is dedicated to the memory of Mr. Steve Sartain.

Mr. Sartain was a World History teacher in Room 210 of Winslow High School. Loved by all of his students, Mr. Sartain coached football and pole-vaulting for track. For several years, he also coached JV softball. His classes often featured unique, enjoyable projects and a one-of-a-kind learning experience.

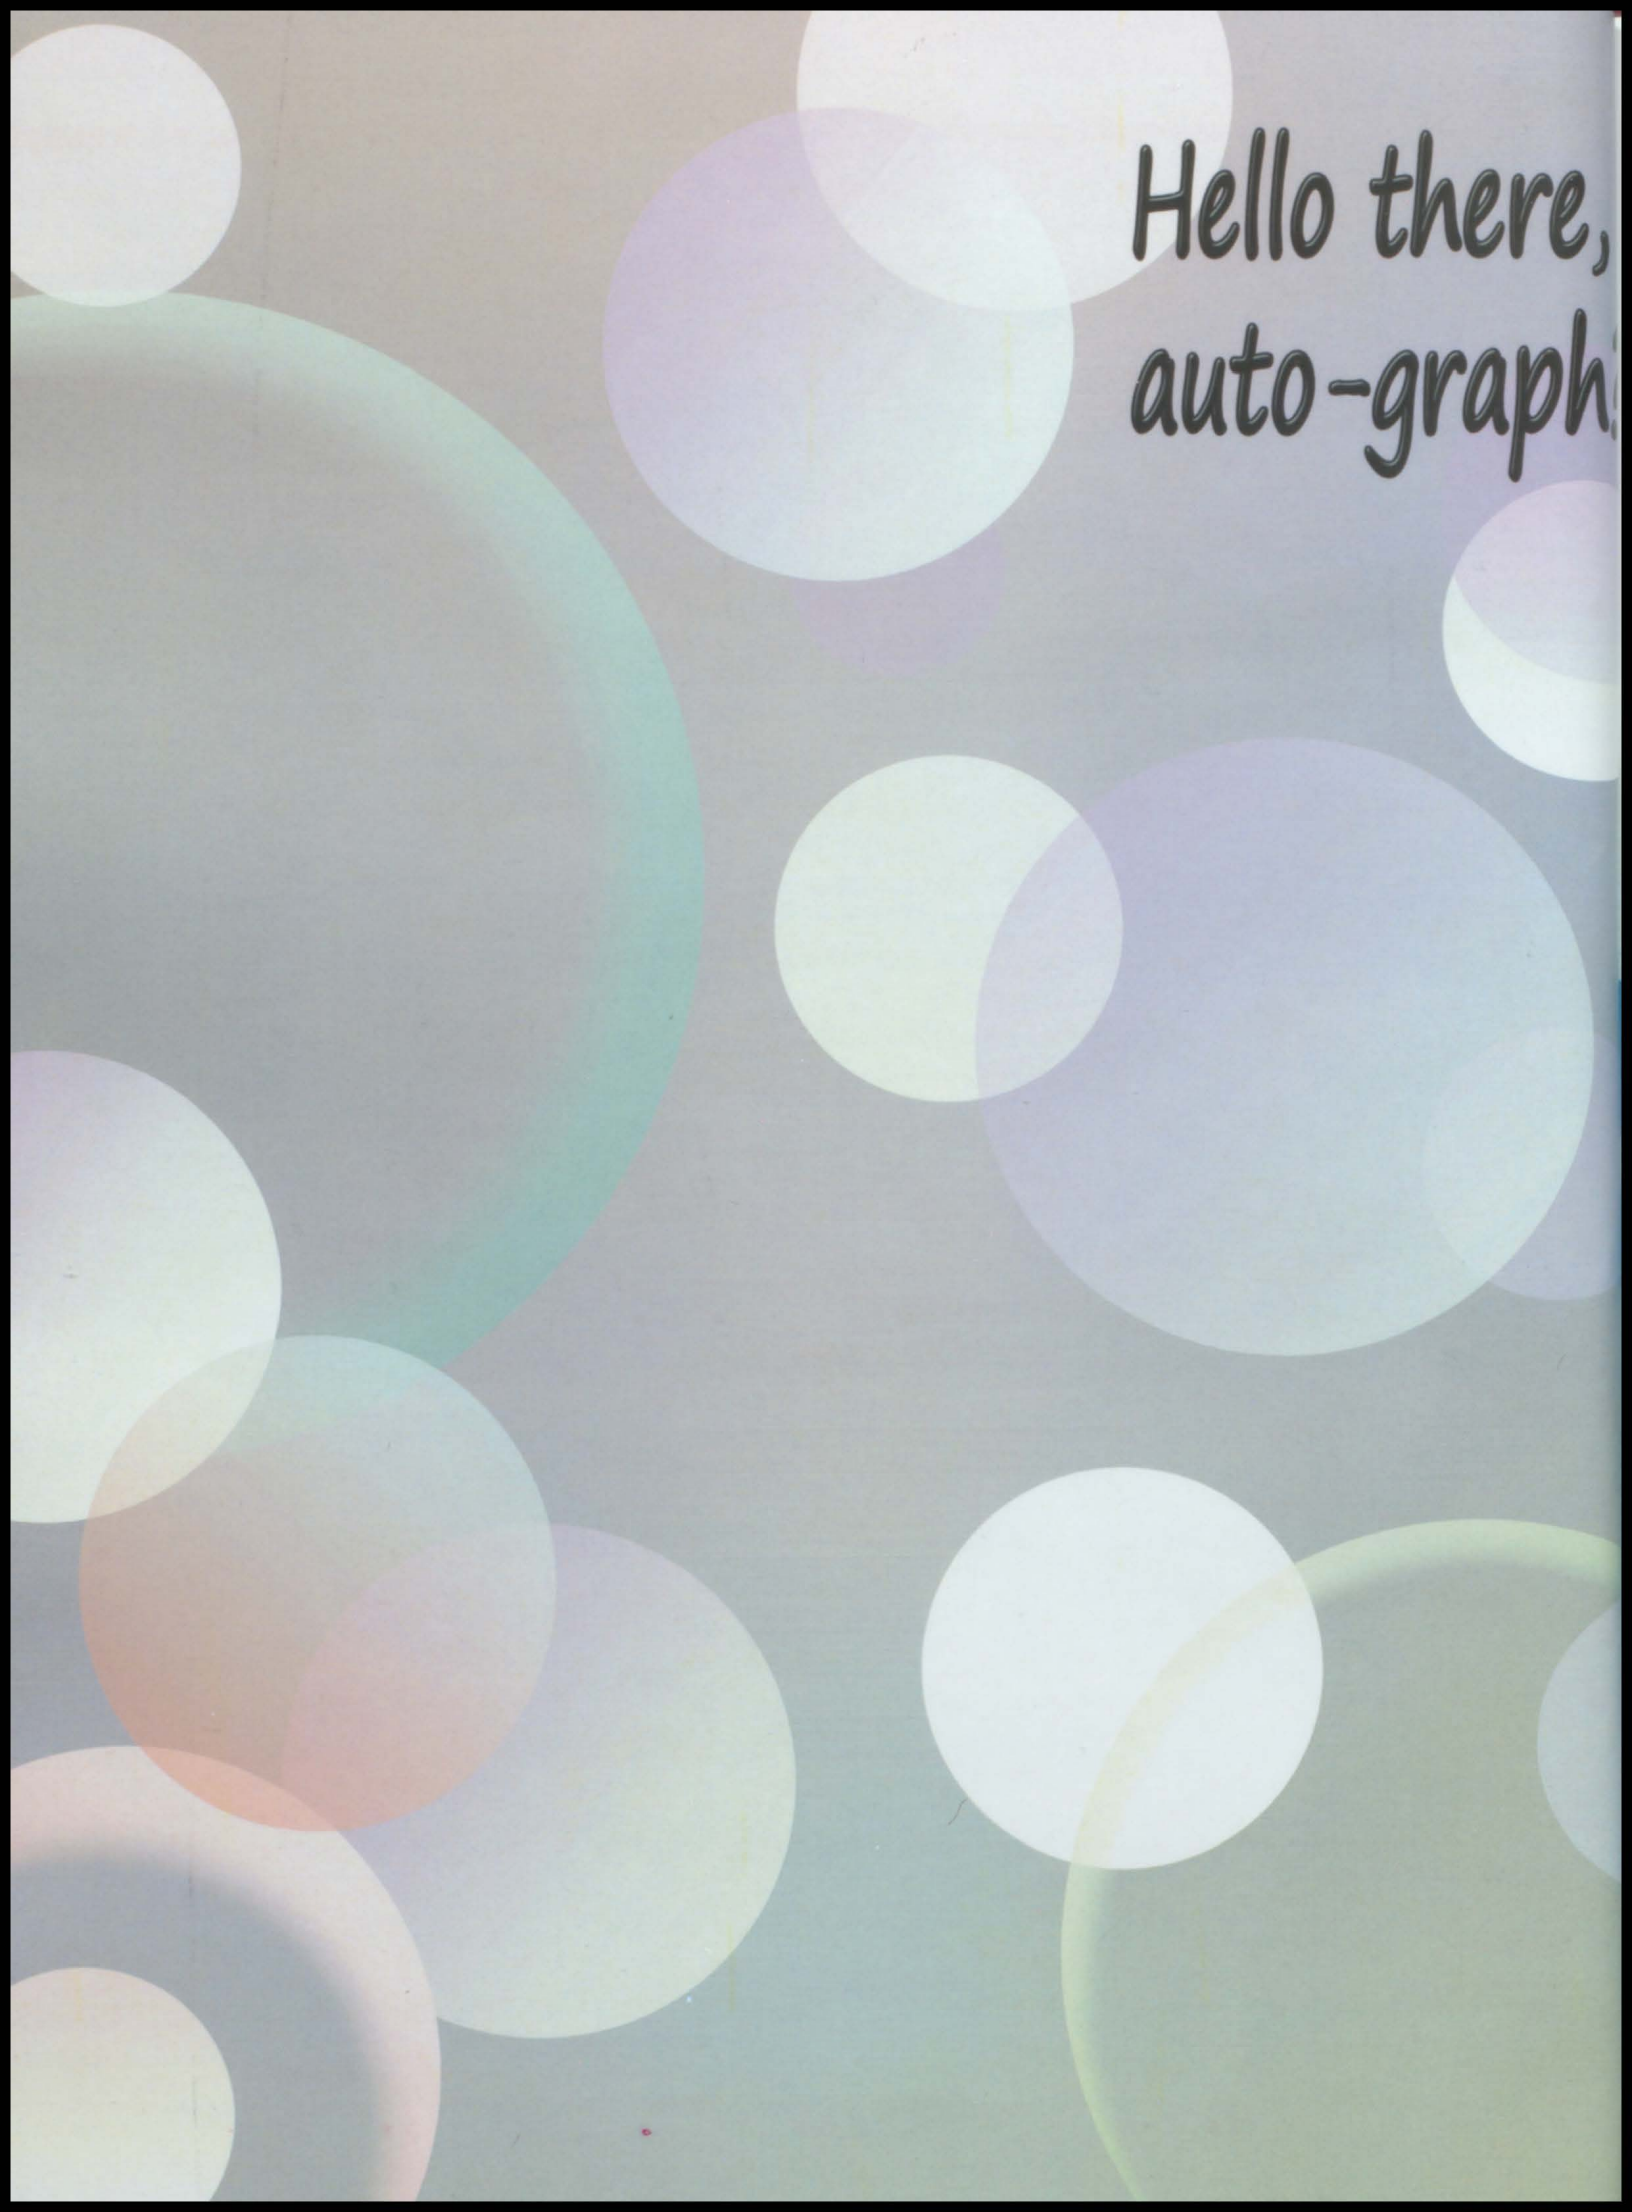

Mr. Sartain was a father of four children and a dedicated husband. He loved to travel and took numerous trips both in and out of state. One of his favorite activities was going camping with his family. He enjoyed all things outdoors and was an avid sports fan.

*WHS will truly miss this fine man.
Once a Bulldog, always a Bulldog.*

Yearbook King and Queen

Being Yearbook King and Queen is an honor. It's about recognizing hard working students who are kind, honest, and respectful to others. The yearbook staff is proud to call Matthew Cirre and Kara Hunt Yearbook King and Queen.

The background of the page is a light blue, textured surface. On the left side, there is a faint, vertical image of a forest with tall, thin trees. A bright, jagged lightning bolt strikes down from the top right towards the bottom left, crossing the forest area. The text "Searchers" and "Sage" is overlaid on this background in a stylized, cursive font.

WINSLOW HIGH SCHOOL

Here mid the skies and the
And mountain ranges blue.
Touched by the gleaming sun
And desert night too.
So we pay to you,
Pledging to be true
With voice and hands and
Here's our salute to you.

I can't believe this time has come... Graduating from High School! It seems like yesterday you were starting kindergarten. We have watched you grow into a beautiful, amazing young lady and have made us so proud. You continue to amaze us daily. Just know as you begin this new chapter in your life that we will always be here for anything you may need. Remember to reach for the stars baby girl and know we love you to the moon and back.

Love, Mom, Dad, Austyn, Grandma & Papa

...If we could, we would rewind to the moment you took your first breath of life and how cried tears of joy when they told us you were a baby girl. You taught us the truest meaning of love.

...We would rewind to Christmas morning. The light in your eyes was priceless. You made us a family.

...We would rewind to summer days at Barber Shop creek where you spent your childhood chasing crawdads and water snakes. You loved creation.

...We would rewind to that shot you took "stuck" the ball between the rim and the backboard. You learned to laugh.

...We would rewind to that wishing well in Las Vegas when you threw in some pennies and wished for a baby sister. You Believed.

...We would rewind to the moment you fell in with photography and photographed everything imaginable. One of your many gifts was revealed....You discovered your passion.

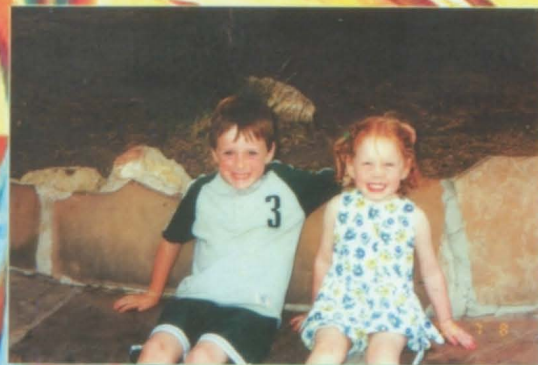

Our dear daughter Brooke, you have made us proud. You are so beautiful from the inside out. You have blessed our lives deeply and every moment we've shared with you is a treasure. It has been our privilege to call you daughter. Our wish for you is to take your beautiful soul into the world, cast your talents, and discover your passions. You have all the essentials. You just have to BELIEVE in yourself. You can do ANYTHING. We love you more than anything in the world and our love will always be here for you.

Spread your wings beautiful daughter and FLY!...

*Love,
Mom, Dad, Zachary, & Grace Pollard*

Love, Mom, Dad, Jessica, & Jayden.

*You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow*

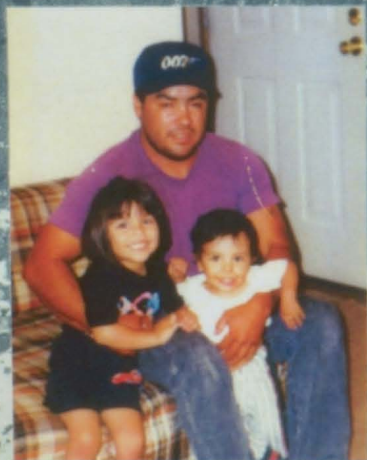

*Maybe you're the reason why all the doors are closed
So you could open one that leads you to the perfect
road. Like a lighting bolt, your hearty will glow
And when it's time, you'll know*

*You just gotta ignite the light and let it shine
Just own the night like the 4th of July*

*'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go, oh, oh, oh
As you shoot across the sky*

Jace,

Seems like just yesterday that you were playing Pee Wee Football and now you are graduating. You have grown up to be an extraordinary young man with limitless possibilities and opportunities ahead of you. You have worked hard for the last four years and excelled in Football and Wrestling. Take some of that dedication and commitment with you to college and you will be able to achieve anything you set your mind too. You are sweet, loving and caring son, brother and friend never change who you are. We are very proud of you and we wish the best of luck as you take the next step in your life. Always aim high and remember that you will always have the support and love from your family.

We Love You!! Mom, Manny, Tommy, Rhett, Becca, Trey and Kali

Dear Jace,

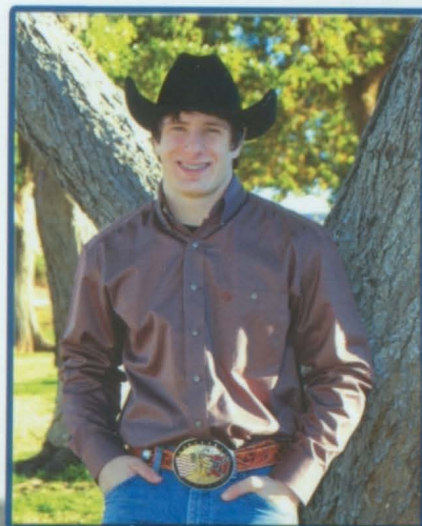

You have always been a huge joy in our lives and a huge pain...LOL.

You make everyday an adventure - from dirt road trips

to frozen pet funerals - We have great memories!

Stay honest, caring, loving, and happy. You deserve it all.

Love, Uncle, Grandpa & Grandma

Jaceman,

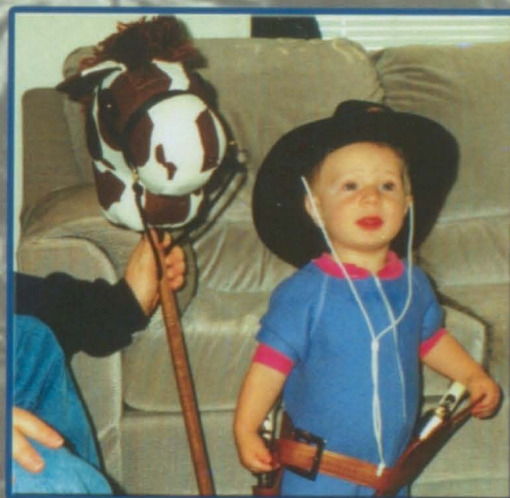

Through the broken noses, swallowed cup hooks and all nighters, you've survived. No matter what you have faced, you've always pulled your boots up tight and saddled up. You have the courage of a true hero and the heart of a lion. No matter what you do or where you go we know you will do great things...and the best is yet to come. We're so proud to call you our nephew and love everything about you. Congratulations Jaceman!!!

Love, Uncle Donny & Aunt Joey

Happy Graduation Jace,

Now is when your life begins! The possibilities for adventure and greatness are all around you. Stay confident, grab the bull by the horns and enjoy the ride!

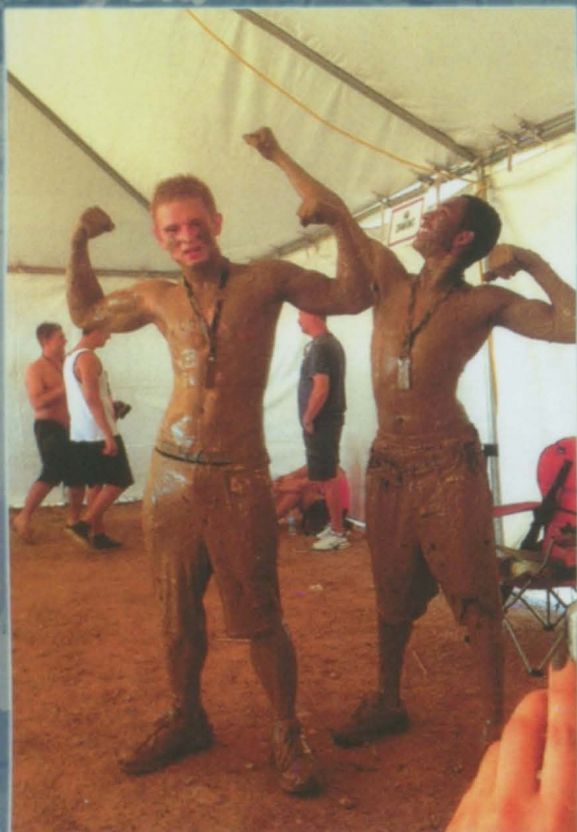

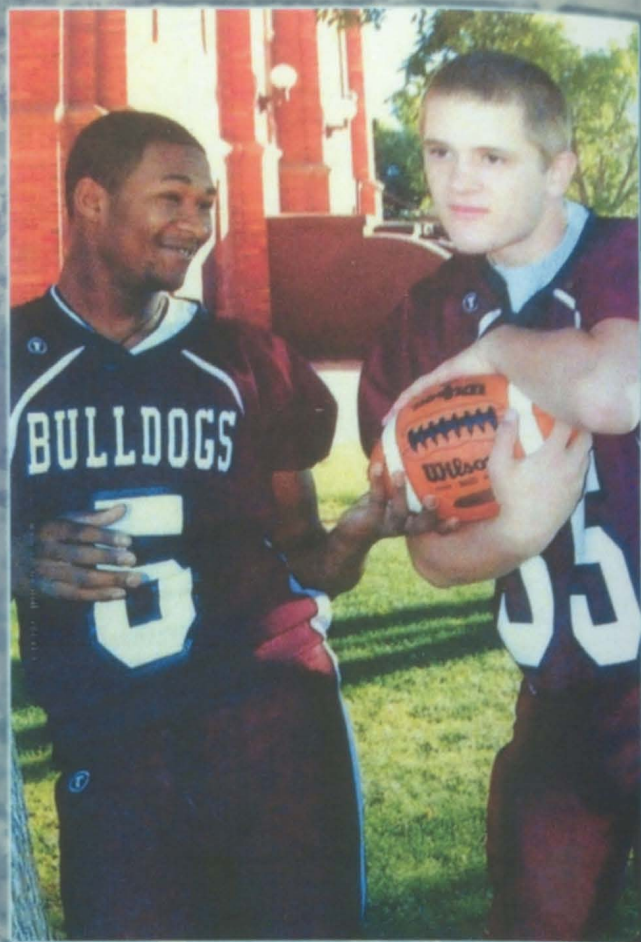

We love you so very much, Tessa, Michelle and Rylan

For being who you are,
For making something of yourselves
For making it this far*

We love you!!*

A Message From The Editors

This final year in High School has been an amazing time, but it's slowly coming to an end. I have enjoyed my four years in Graphic Design. Working alongside good friends and a great teacher. I'm thankful for the lessons I've learned and all of the experiences I've had. I was elated when I found out that in my final year in high school I would be Yearbook Co-Editor . It's difficult work reviewing

each and every page that enters the yearbook but is well worth the reward of seeing it all come together. I'm proud of all of the graphics students that worked hard to turn in pages and make the yearbook what it is. As you come to the end of this labor of love, I hope you enjoyed reading through it as much as I did working on it. I send my thanks to my Co-Editor Rudi for working diligently through the year and a bigger thanks to my graphics mentor, Mrs.Long.

- Selena L.

What can I say about this year? It's been a year of hard work and a lot of roadblocks. Working on the yearbook is never an easy job and this year has been no exception whatsoever. People sometimes ask if throughout the year if I've ever been angered or irritated by the fact that I'm an Editor and I always respond: Not a single time. I'm proud to be an editor for this yearbook and take pride in the fact that I was selected to take on such a major job. Not often is a junior selected as yearbook editor and it only makes me that much prouder. I still remember my first day in Graphic Design clearly, looking upon Photoshop as if it were all made in Latin. I've come so far, and I see the same thing happening to others whenever I edit pages. I will always look back on this year fondly even when stepping down to let someone else take the reins next year. Thank you to my Co-Editor Selena, we didn't always agree on things but we both wanted to make our yearbook as amazing as possible and that's why we worked so well together, and another thanks to Mrs. Long for supporting me through these three years and my endless supply of bad jokes.
